

Group Operating Model Policy

Policy statement

SSE's Operating Model Policy sets out how the SSE business strategy is executed through the accountabilities of the PLC / corporate centre and Business Unit and supporting governance model.

Policy purpose

The purpose of this policy is to outline how the SSE Group is governed, performance is managed and the high-level relationship between the Corporate Centre and the Business Units. It highlights some of the key decision rights of the Corporate Centre and the accountabilities of the Business Units.

This policy is owned by the Director of Human Resources and is one of a suite of group-level policies that promote a healthy business culture, guide decisions and actions as expected by the company's stakeholders, and make SSE a responsible company that people want to invest in, buy from, work for and partner with.

ROLES AND RESPONSIBILITIES

This policy applies to all SSE employees, contingent workers and people contracted to provide services to the Company through third parties.

Where we operate internationally, we will utilise our Group Policies as a default, subject to legal or regulatory requirements of the relevant international domain, and relevant local policies and supporting procedures.

Business Unit MD's are responsible for the implementation and adoption (including training) and adherence to the policy within their BU.

Managers are responsible for making sure that their teams understand and comply with the policy and supporting procedures.

All employees are expected to comply with the policy and supporting procedures.

To support the oversight, implementation and evaluation of Group Policies the following roles have been defined:

Policy Owners are accountable for the identification, development and evaluation of Group Policies and the oversight and governance of supporting policy documentation.

Policy SME's support the Policy Owner in the identification, development and implementation of Group Policies.

GOVERNANCE

The **SSE plc Board** and **Group Executive Committee** are responsible for the oversight for this policy including the approval of any changes to the policy. This policy is reviewed annually as part of an evaluation process.

An annual assessment will be carried out by each of the policy owners to assure the policies and establish an action plan to support policy embedding. Business Unit MD's will be required to confirm that policy actions are addressed through the annual letter of assurance process.

The **Group Executive Committee** is responsible for the implementation and operational effectiveness of the Operating Model policy and supports the Policy Owner to make sure that the policy is adhered to through awareness, training.

TRAINING

All SSE employees are expected to have an appropriate induction which provides an overview of how SSE operates, and the behaviours and standards expected of SSE employees.
